Based on P.L. Travers' beloved book series of the same name, *Mary Poppins* became an immediate hit when it premiered as a movie musical in 1964. Forty years later, Cameron Macintosh conceived of an enchanting stage musical that combines elements of Disney's film with material inspired by Travers' books. In the musical, Bert, a jack-of-all-trades, invites us into the world of London, England in 1910 — and, specifically, into the dysfunctional home of the Banks family. Jane and Michael, the young Banks children, have sent yet another nanny packing, dismissing these children as hopelessly and irrevocably spoiled and misbehaved. With a father who works constantly and mother who is always distracted, Jane and Michael have suffered without strong caretaking forces in their lives. Then the magical Mary Poppins flies in on the wind, bringing with her a combination of whimsy, magic, and disciplined common sense to the children's lives. Together, they go on memorable and magical adventures — and also learn the importance of a tidy nursery and of taking the medicine they need (with a spoonful of sugar, of course.) Mary Poppins' transformational influence does not stop with the children — eventually, she teaches the grown-ups, as well, to open up and realize that "anything can happen if you let it. Be sure to get your tickets EARLY before they are sold out!

Auditions for WILLY WONKA JR.

Auditions for Willy Wonka Junior

When: Saturday, May 2nd, 2020

Time: 1st session 8:30 AM- 12:00PM 2nd session 1:00- until finished.

Who is eligible: Children must have completed Kindergarten through Graduating High School Seniors.

Audition Notes:

If your child has been a part of any of the past 3 Woodland Children Summer Theater programs, please contact Nickie Bird (co-director 503-890-6174) to set audition arrangements.

participants will be required to be at the first session auditions, *no exceptions*. Please make sure to be in appropriate attire; tennis or dance shoes and loose fitting clothing that covers full body. First year

All children need to be aware that not everyone will have equal stage time. We do not want to hurt anyone's feelings or disappoint any child auditioning, but we have a lot of children trying out and need to move quickly. Make sure your child knows it is important when it is their turn to have a positive attitude, follow directions, and show plenty of personality. Directors will be asking questions and children need to speak loudly and clear about individual talents they have; tumbling, ballet, clogging etc.?

Children auditioning for a specific part must have learned the designated song for our auditions; see links below. **ALL CHILDREN WILL AUDITION WITHOUT WORDS TO THE INSTRUMENTAL VERSION.** If your child is called back for the 2nd session, they will be performing the required song for that part. All children are not guaranteed to sing the learned song just because they have learned it. The summer program has been growing and has become very competitive, which means we have had to adapt to a stricter audition process.

Schedule:

8:30-9:30 Audition registration (must have a legal guardian present to fill out entire paperwork packet.)

9:30-10:00 Mandatory parent/legal guardian meeting. First audition group will be learning choreography.

10:00-12:00 First stage auditions in groups of 10. If your child is asked for a call back audition, they will be given a ticket and will need to return at the time on the ticket for a second audition.

12:00-1:00 Lunch break Theater will be closed during this time.

12:45 check-in time for call-back or previous year performers.

1:00 callbacks start: (to qualify for callback you must know required song for group you are called back for.)

You must be given a callback slip to 2nd portion of audition, and even at that point you are not guaranteed to get to perform song alone.
