2020 – 2024 CAPITAL CAMPAIGN: Our two-story 1950's apartment has been transformed to a one-story accessible backstage for the Cinderella cast and crew to occupy in time for the April production. As Cinderella's Fairy Godmother says, "Impossible things are happening every day." This is all thanks to our Woodland volunteers, Major Donors, the Friends of Woodland Theatre and local businesses.

We still need your help!

There are debts to be paid for this undertaking and doors and kitchen cabinets to be purchased. Three new entrances need roof covers and cement pads. The main theatre needs crucial upgrades for the safety of occupants. Individual members have also donated a new toilet, a central vacuum system with installation in addition to hundreds of hours of labor to install sheetrock, flooring, mirrors and do the final painting. We also need an apartment size stove with range hood and hope to install a stacking washer and dryer.

Please add to this support if you can. Donations can be made by mailing a check or going online.
