Capital Campaign Phase Three 2025-2029 begins now!

MANY THANKS to the Major Donors, Grantors and 78 Friends of Woodland Theatre. Capital Campaign Phase Two was a success!!

Planning has been completed to replace the 50-year-old roof over the auditorium with one sturdier, heavier, and up-to-code. But first the bowed walls must be stabilized with rods to replace the current stretching cables.

A State grant for this roof requires matching funds that will include the backstage construction, finish work, a wiring upgrade and roof planning from phase two and the 2025 cable-to-rod project and a new (historic-looking) tower.

Your donations will fund the new capital projects and help pay off the line of credit used to complete the backstage.
