*Tech week times might change, and rehearsals on those days can run over the time we thought it would end. We are running the shows every day that week. We will communicate as best as we can. Please understand that we could go past 9:00, but we will still be there at 9:00 because we will try to get them out of rehearsals as soon as possible. Call times also change for show days. All other Rehearsals may change, but we will let you know beforehand.
